

revzen

The revision tool built for students,
by students

Revising for end of year exams? Need help
motivating yourself to stick to your plan?

Our app revzen enables you to plan and start your
own sessions to make studying easier than ever.

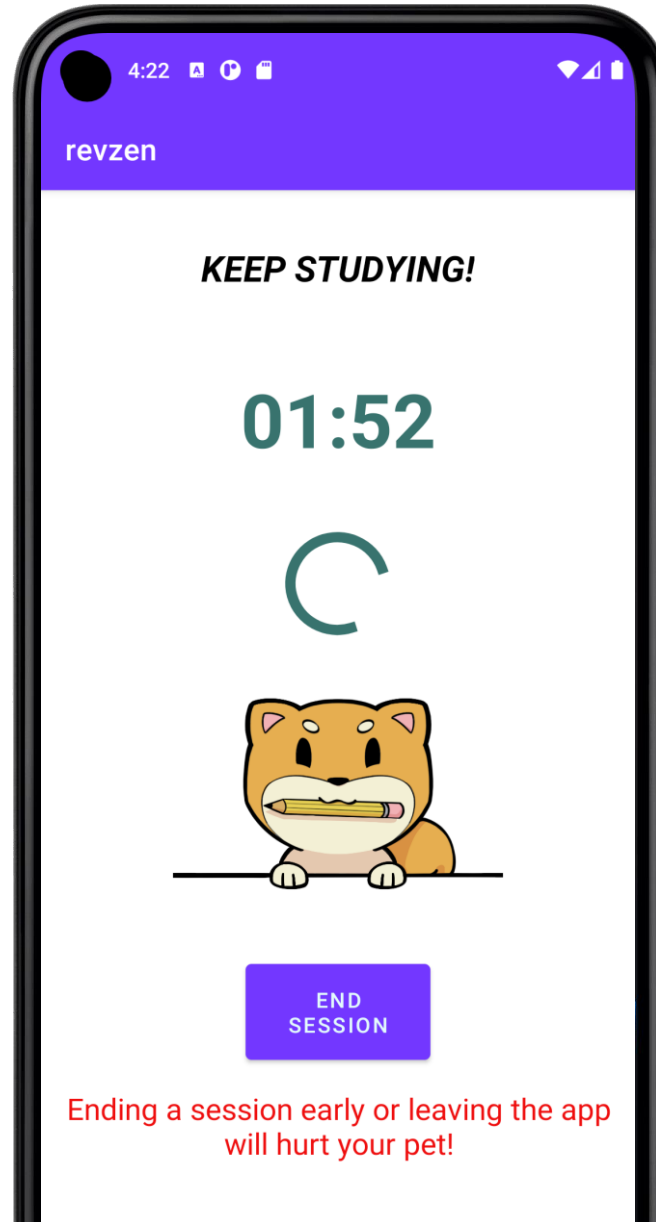

With a focus on wellbeing and moderation, better
time management means more time for the other
things you love

Download now at

Start Study Sessions With Ease

- Revise with your friends
- Look after your pet
- Study at your own pace

Designed with you in mind

revzen encourages you to take
sensible breaks as part of your
study sessions. This helps
prevent burnout, allowing for
steady progress and reducing
the need to 'cram'
